

Discover Inform Clinics: Your Destination for Ear Correction Surgery in Hyderabad

When you're searching for [ear correction surgery in Hyderabad](#), Inform Clinics stands out. Founded in 2013 by Dr. Dushyanth Kalva and Dr. Keerthana Kalva, this state-of-the-art facility in Jubilee Hills and Kokapet offers world-class plastic surgery and cosmetic dermatology, including expert **otoplasty (ear correction)**.

Why Choose Inform Clinics?

1. Expert Team

Led by Dr. Dushyanth Kalva (MCh plastic & reconstructive surgery, 15+ years of experience) and Dr. Keerthana Kalva (MD dermatology), Inform Clinics brings together plastic surgery and aesthetic dermatology under one roof.

2. Cutting-Edge Technology & Safety

Equipped with modern platforms, single-use disposable supplies, and rigorous sterilization, patients feel secure and well cared for.

3. Personalized Care

Transparency and patient education are at the core of their process. With multimodal diagnostics and tailored recovery plans, you know exactly what to expect ([Inform Clinics](#)).

4. Proven Results

Highly rated on Practo with 531 patient stories and a perfect 5-star clinic rating, Inform Clinics shines in both cosmetic and reconstructive plastic surgery.

What Is Ear Correction Surgery (Otoplasty)?

Otoplasty — commonly called ear correction surgery — is a cosmetic procedure aimed at improving ear shape, symmetry, and projection ([Inform Clinic](#)). It's ideal for correcting:

- Protruding ears ("prominent ears")
- Ear asymmetry
- Structural deformities such as lop ear or cupped ear

Whether it's “ear pinning” for cosmetic balance or reconstructive work post-trauma, Inform Clinics offers both expertise and precision ([Inform Clinic](#)).

Understanding the Cost of Ear Correction Surgery in Hyderabad

When people ask about the [cost of ear correction surgery in Hyderabad](#), here's how it breaks down:

Typical Cost Ranges

- **Basic otoplasty:** ₹40,000 – ₹1,20,000
- **Standard ear correction:** ₹40,000 – ₹1,50,000
- **Reconstructive ear surgery** (complex cases): ₹50,000 – ₹2,00,000 Other providers confirm similar figures:
- CARE Hospitals: ₹40,000 – ₹1,80,000; average around ₹40K-₹1.5 L
- Practo reports: ₹50,000 – ₹1,50,000, with an average of ₹85,000 in Hyderabad
- Credihealth: ₹50,000 – ₹1,50,000

What Influences Cost?

Several factors play a role:

Factor	Impact on Cost
Surgery complexity	More tissue work → higher fees
Anesthesia choice	General anesthesia raises cost
Facility & post-op care	Hospital setting, overnight stay, follow-ups add up
Surgeon's experience	Renowned surgical teams may charge premium

At Inform Clinics, experienced surgeons, modern equipment, and hygienic protocols might place them toward the higher side of this range—but with corresponding quality and results.

What You Get at Inform Clinics

Booking a **consultation for ear correction surgery in Hyderabad** at Inform Clinics includes:

- Detailed evaluation by Dr. Kalva (plastic surgery) and Dr. Kalva (dermatology)
- Fully described treatment plan, costs, and timeline
- Access to advanced operating rooms and safety protocols
- Personalized aftercare and recovery support

With Hyderabad's average cost hovering around ₹85,000 and a range of ₹50,000–₹1.5 L, Inform Clinics provides both affordability and premium care.

How to Choose the Right Clinic

When evaluating options, consider the following questions:

1. **Surgeon credentials?**

Is the surgeon formally certified in plastic and reconstructive surgery? Dr. Dushyanth Kalva has an M.Ch. from NIMS Hyderabad—an indicator of high training.

2. **Clinic reputation?**

Inform Clinics' 5-star rating and 531 strong patient stories underscore its credibility.

3. **Technology & safety?**

Clinics with disposable supplies, sterilization staff, and up-to-date laser systems are the safest choice .

4. **Real testimonials & photos?**

Request before-after galleries and possibly speak with former patients for real examples of success and satisfaction.
